- \$85 Seminar entry & NEW School membership (until 31 May 2019)

This presentation will be suitable for parents, teachers and other professionals. Amanda will discuss the theory of working memory and its importance to learning across all key learning areas. Attendees will learn about the latest on working memory research in order to develop an understanding of how students learn, strategies required for differentiation and how to meet the learning needs of all students, both in the classroom and at home. Participants will not only gain specific knowledge but practical strategies that can be immediately utilised.

2 registrants @ member rates per Individual Membership (Member + guest)
